2. Mention the best time to call you to schedule an appointment for an in-depth interview.
3. Afterwards you can buy your ticket directly online.

Instead of a matchmaking system, you meet one-on-one with a relationship therapist for an in-depth interview at your home, our therapist office or a neutral place such as restaurant, bar or hotel lobby .

Our relation therapist are a passionate and experienced who uses their vision, knowledge and experience to bring out the best in you. After that, it is determined which person would suit you best.

Our relation therapist creates a file after the in-depth interview.  
The in-depth interview is meant to:

Get a complete picture of who you are;  
Find out why you signed up for the Business Lounge;  
Determine what a partner should know about your life and why; and  
Ensure that there are no other motives than to find a life partner.

# Chefkok Ralph Dahlhaus

## Dutch Cuisine

Our emphasis is on “Dutch cuisine”; this is prepared with beautiful regional and seasonal products, in a healthy vegetable-meat-fish ratio and inspired by our own Dutch cuisine and food culture. The vision of Dutch cuisine is cooking more consciously, healthier and with flavours unique to our Dutch identity.

Thanks to this starting point, Chef Ralph Dahlhaus has had a great time finding and experimenting with beautiful local products to come up with surprising combinations for our menus. We also have our own in-house ‘specialist’; pastry chef Dario Korver makes the most delicious desserts for the menus.

We have put together the following four -course menu for you:

Chef Ralph Dalhaus prepares the same starter, entremets and dessert for all the guests. We would like to know your choice for the main course two weeks in advance. If you have special dietary needs, please inform us of this immediately so that we can take this into account. Send us an email or call the general number.
